

CANCELLATION/RESCHEDULED APPOINTMENTS AND REFILL POLICY

We do understand that life and related obligations do get in the way of treatment. As such, if any of our providers cancels and re-schedules your appointment, you will get a refill on the house to bridge you to your next appointment.

If you re-schedule or cancel your appointment and run out of medication supplies, a **refill fee of \$75 will apply**. This fee **DOES NOT** apply in the event of inclement weather. Your safety is our number one concern.

Please contact your provider with any questions.

The Patient is responsible for the above fee.

Thank you — Management

****Cancellation/Rescheduled Appointments and Refill Policy must be signed and returned to Ally Integrated Healthcare before your first appointment will be confirmed.**
